

MUSCAT MOUNTAIN & COASTAL TREK OMAN 1 day

Day 01 : Rendezvous with your driver and 4WD vehicle at your Muscat hotel
Drive to Riam and then walk south towards the highlands. This ancient overland route once linked Muttrah with Muscat. Great views back to the bay and the ocean. Decend to Mutrah, being careful where the rock is slippery, and tame time to see the ancient irrigation systems: falaj and water cisterns. Meet the car at Mutrah for the return to Muscat along the Corniche, or for the stronger walkers you may want to return to the originals tart point by walking along the Corniche.
