

# LIGHT MOBILE SAFARIS – TANZANIA

ECO-FRIENDLY, WITH WALKING AND DRIVING PROGRAMMES

## WHAT IS A LIGHT MOBILE SAFARI?

You sleep in large Dome or A Frame tents with bedding and thick mattresses on ground sheets. Beds are made up with sheets and blankets.

A simple solar shower and long drop toilet with toilet tent are provided for times, when the official camp sites do not have these facilities, or for times that you stay in Special Camps Sites.

Camping equipment is carried in the main safari vehicle and normally public camp sites are used. You will be able to help put up the tents on arrival, take them down on departure. Your driver/guide and assistant will prepare meals.

## WHAT DOES IT COST?

In a group of four: approx. USD298 per person per day  
In a group of two: approx. USD412 per person per day  
These low cost safaris are a superb way of getting to know the game parks of Tanzania at a reasonable cost.

## INCLUDED IN THE PROGRAMME:

Safari transport in a 4WD Vehicle  
Park fees up to USD50 per person per day – (fees subject to change by Tanzanian government)  
Camping fees.

Drinks \*  
Any other items of a personal nature  
Tips to the crew.  
*\*Before setting off you will be able to pre-buy your drinks from the local shop or we can buy in for you.*

## ECO FRIENDLY PROGRAMMES:

Light Mobile Safaris use one vehicle to carry you and the camping equipment, so the “footprint” is lighter. Light Mobile Safaris enable you to bush walk for part of your programme, reducing vehicle usage. Light Mobile Safaris bring you into contact with local communities where we pay camping fees and employ some of our staff.
