

Gane and Marshall Adventure Holidays – Private and Open Departures

Our adventure holidays are offered either as fixed date open group departures which you can book onto, or as private departures tailor-made to your specifications.

Here are the main two choices for tailor-made and open group adventure holidays:

- 1) A private adventure programme for you and your friends, family or colleagues. Let us know what you want to do and where you want to go, and we shall design a programme especially for you.

You may also set up an adventure programme at dates to suit you, and ask us to promote the holiday on the Gane and Marshall website so that others may join you.

- 2) Alternatively you can choose to join one of our Open Groups of which there are two types: Standard Open Groups and Charity Fund-Raising Groups.

- Our standard departures leave at fixed dates throughout the year. They are open groups, meaning that anyone may join, either independently or with friends.

Our standard open groups, such as our Kilimanjaro climbs, are listed under the relevant [Trek](#), [Climb](#), [Bike](#), or [Arctic Adventure](#) menu. You can also see a full list of our small group departures for the year ahead [here](#).

- Our Charity Fund-Raising Groups are organised through partner company Charity Challenge. For more information, see our [Charity Challenge pages](#).

Now you can choose the adventure holiday that will change you into something half acceptable; well there is hope, isn't there?
