

Botswana Explorer

Indulge in the adventure of a lifetime as you discover the most remote corners of Botswana's iconic wilderness parks. This mobile camping safari includes eight nights spent in comfortable domed tents with private bathrooms (en-suite) and one night spent at the Elephant Camp, within sight of the Victoria Falls, one of the natural wonders of the world. While the landscape changes from destination to destination, the warm African welcome at each private campsite remains the same. A dedicated professional guide accompanies you on each stage of this wilderness expedition, unravelling the secrets of the bush. This is an open safari, meaning that you will travel with other guests. A maximum of six guests on each mobile safari ensures that everyone is guaranteed a window seat.

This safari begins at Maun International Airport in Botswana and ends at Victoria Falls International Airport in Zimbabwe.

Day 01 & 02: Okavango Delta

You will be met by your guide on arrival at Maun International Airport, and once you have become acquainted with your guide and the rest of the group, you will transfer by light aircraft to PomPom Airstrip, where a safari vehicle will be waiting to drive you to a campsite in the Okavango Delta. You will have plenty of time en-route to discuss your interests and expectations for your safari with your guide.

A maze of sparkling lagoons, meandering channels and overgrown islands, the Okavango Delta is the world's only inland delta. Crystal clear channels spread over the Kalahari Desert with their papyrus-fringed banks and fertile floating islands. Elegant red lechwe and shy sitatunga are found in this watery wilderness, while lion and leopard share the floodplains with giraffe and elephant. Hippo inhabit the deeper channels and lagoons, while iridescent dragonflies, frogs of every colour, and jewel-like kingfisher make a home of the lush banks.

Spend two nights at the Okavango Delta campsite in a private concession area bordering the Moremi Wildlife Reserve, with a complement of camp staff to cater for your needs. Explore the crystal-clear channels, islands and waterways by mokoro (dug-out canoe) and enjoy excellent game-viewing walks on the islands.

Day 03 & 04: Khwai Concession - Moremi Wildlife Reserve

A short flight in a light aircraft will take you to Khwai in the North Gate region of Moremi Wildlife Reserve.

Adjacent to the Moremi Wildlife Reserve, the only proclaimed wildlife area in the Okavango Delta, the Khwai concession is a stunning landscape of forests, lagoons, floodplains and islands, with rich wildlife. Game viewing is excellent year-round and resident species include lion, cheetah, leopard, elephant, wild dog, zebra, red lechwe, and many more.

Spend two nights camping on the concession, with extensive game drives taking up your days.

Day 05 & 06: Chobe National Park – Savute

A long game drive (5 – 6 hours) takes you to the Savute region of Chobe National Park, where you will spend two nights camping in this haunting and magnificent landscape.

Renowned for lion and other predator viewing, the landscape around Savute is starkly beautiful. Mopane forest gives way to acacia savanna with rocky outcrops. The mysterious Savute Channel, which dries up periodically, has recently begun to flow for the first time

in more than two decades and has proved an irresistible attraction for a high concentration of wildlife.

Day 07 & 08: Chobe National Park

From Savute, move up to northern Chobe (4 – 5 hours overland game drive), where you will camp for two nights.

This is the heart of elephant country and you may spend many hours watching the huge herds in and around the Chobe River on game drives or private boat cruises. Northern Chobe is renowned for its large variety of bird and animal life, beautiful scenery and magnificent sunsets.

Day 09: Victoria Falls

You will be driven from Chobe National Park to Victoria Falls in Zimbabwe, where you will meet your guide for the last few days of your adventure, who will escort you to the Elephant Camp and on your Victoria Falls activities.

One of the world's greatest natural spectacles, Victoria Falls is the stuff of legends, romance and myth! Long before the Scottish missionary and explorer, Dr David Livingstone, 'discovered' the Falls in 1855, the local Batonga people had named them Mosi-oa-Tunya, 'the smoke that thunders'. Livingstone named them for his queen. Today, the village of Livingstone rightly claims the title of Adrenaline Capital of Africa, home

to a seemingly endless variety of adventure sports, ranging from bungee jumping to canoeing and white water rafting.

Your guide will accompany you on a tour of the Falls (entrance fee to the Falls is included in the safari fare). At the Elephant Camp, their dedicated team will take over from your guide and will enthral you with up-close and personal interactions with wildlife – in particular, the elephants at the Wild Horizons Wildlife Sanctuary.

Day 10: Departure

After a scrumptious breakfast at The Elephant Camp, you will be taken to Victoria Falls International Airport by road, where your adventure ends.
